

Ready to use phenylalanine-free amino acid mixture, enriched with EPA and DHA, supplemented with vitamins and minerals, indicated in the dietary treatment of hyperphenylalaninemia, including phenylketonuria.

» **INDICATIONS** For the dietary treatment of children over three years of age and adults, with known hyperphenylalaninemia including phenylketonuria and maternal phenylketonuria.

» **DOSAGE AND ADMINISTRATION** According to the physician's prescription, taking into account age, body weight and clinical condition of the subject.

» **INSTRUCTIONS FOR USE** Shake well before use. Once the package has been opened, the drink should be consumed within 24 hours.

» **STORAGE CONDITIONS** Store the product in a cool and dry place, away from light and sources of direct heat. The expiry date refers to the product in an unopened, correctly stored package.

» **IMPORTANT WARNINGS** Afenil® Squash 15 must only be taken under medical supervision by individuals with known hyperphenylalaninemia including phenylketonuria. Afenil® Squash 15 must not be used as one's only source of food. Keep out of the reach of children. The product can result in health risks if consumed by individuals who do not have the specific disorder for which it is indicated.
